Subject: Thanks

Good Morning Everyone,

Just a quick note to thank all of those who voted for me for your support and to let everyone else know that I will do my best to be an asset for everyone in the region.

I will definitely need your help to succeed so do not hesitate to email or call me with your suggestions and your ideas for what you think is important. I am, as they say, an open book at the moment!

Again, many thanks for your support. I am excited about this opportunity.

Susan Jane
